

# GUSTAVUS *Friends* OF MUSIC

Gustavus Adolphus College is fortunate to have a distinguished music program that, over the course of the College's nearly 150-year history, has provided thousands of students with the opportunity to explore and realize their dreams as musicians.

From GRAMMY® Award nominee Kurt Elling '89 to Tom Hassig '76, a recipient of Minnesota's "Music Educator of the Year" award, Gusties are taking their on-campus music experiences and making a difference in the lives of people across the world. Inevitably their dreams began somewhere closer to home ... and came true because someone opened a door.

The Gustavus Friends of Music is a network of alumni, parents, and friends whose mission is to create opportunities that inspire musicians at Gustavus to seek their potential and explore their dreams. By becoming a member of the Gustavus Friends of Music, you will provide much-needed scholarship support to student musicians and assist the College in showcasing the magnificent sounds and extraordinary talents of Gustavus musicians. Please join us today with your financial support.
